

Operation Gideon

**2024 GENEROSITY CAMPAIGN FOR
GLOBAL CHURCH REVITALIZATION**

God is calling forth a new generation of churches and leaders to invest in the growth and health of congregations around the globe.

In the book of Judges, God called Gideon to lead a small army of just 300 men to defeat a vast Midianite force. Gideon's story reminds us that God can accomplish great things through a dedicated few. In the same way, we believe God is inviting you to link arms with likeminded believers to ignite the flame of church revitalization around the world.

**CAMPAIGN GOAL:
300 churches or individuals
contributing \$100/month for
global church revitalization
by December 2024.**

Jesus declared that nothing can hinder His Church when it takes bold action. However, many churches struggle to move forward because they lack the tools and strategies to unite and coordinate their efforts towards fulfilling the Great Commission.

At Healthy Churches Global, the international ministry of the Malphurs Group, we equip pastors and church leaders worldwide with the training, resources, and strategic framework they need to become thriving, Great Commission-focused churches at no cost to them. Many pastors around the world lack access to seminary education, let alone the critical leadership skills that seminaries often don't provide. Our ministry bridges this gap, enabling every church to cultivate healthy disciples and strong leaders.

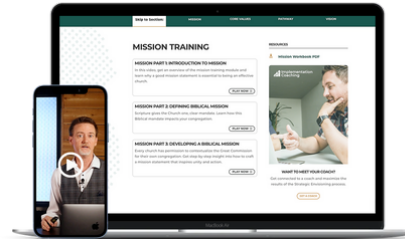

Just as God called Gideon's army, we are seeking 300 passionate churches or individuals to join us in advancing this vital Kingdom cause by supporting our international ministry with a monthly gift of \$100.

Your generosity enables us to:

Expand digital training resources to hundreds of pastors worldwide at no cost to them

Launch strategic planning initiatives with churches in Europe, Asia, Africa, and Central/South America at no cost to them

Equip and mobilize regional consultants at strategic places around the globe to expand our impact and reduce operational costs

Deepen our collaborations with church networks such as the Missional International Church Network (MICN) and the International Baptist Convention (IBC)

By joining Operation Gideon, you not only help cover the administrative, operational, and travel costs of our international ministry but also empower hundreds of churches within our network to maximize their Kingdom impact and reach even more people with the transformative message of Jesus.

Together, we can answer God's call and equip His Church to advance the Great Commission like never before. Will you be one of the 300 to join Operation Gideon today?
